

SAA-SDS SUMMER READING

EVERYONE READS

All rising kindergarten students will read

What Do You Do With An Idea? by Kobi Yamada

SUMMER READING LOG

Rising kindergarten students can use the reading log to keep track of the books that they have read over the summer.

SUMMER READING BINGO

Complete the provided Bingo card this summer and return it in August. Students who fill an entire bingo card will be invited to a summer reading ice-cream truck party!

STOP SUMMER SLIDE WITH DAILY READING

Each student in grade K should read or be read to for at least 15 minutes a day. Research has shown that when students read or are read to over the summer they retain more knowledge from the previous school year. Students should aim for this reading goal at least five days a week. Please see our recommended reading lists in this packet for age appropriate titles. Students may read anything they enjoy that is appropriate for their reading level.
